To whom it may concern:

We are writing today to fully recommend Sunrise Landscaping, and in particular Bill Vermeulen, for their outstanding work on our pool landscaping and architecture. Bill was there, every step of the way, to ensure that our job was handled with the care and necessary follow-through. The end result was a beautiful pool surrounded by beautifully placed trees and shrubs. Bill also acted as a contractor and made sure all of the sub-contractors were in place on a daily basis.

We couldn't be happier, and believe the success of this project was due to the fact that Sunrise Landscaping, and Bill Vermeulen were there to provide excellent service and an outstanding end result.

We will be happy to speak to anyone personally to let them know how talented and dedicated Bill and Sunrise Landscaping are.

Sincerely,
